

# Valli

This home is perfect for all 4 seasons. It has been designed to maximise the potential of your block with every inch of space well thought out to optimise the functionality of the home.

Showcasing the kitchen, dining and family across the rear of the home this allows for easy access to the alfresco; a great way to bring the outdoors in.

The home also has a huge theatre room, big bedrooms and impressive master suite with a dressing room nook, not to mention the drop zone. A Great home for entertaining and relaxing.
